Welcome to this charming two-story in the heart of Woodbury, set on a private .30-acre lot surrounded by mature maple trees. Thoughtfully updated throughout, this home offers a wonderful combination of comfortable living, outdoor entertaining and an exceptional garage setup. The main level features newer wide-plank faux wood flooring, two bay windows that bring in abundant natural light and an inviting gas fireplace with painted brick surround. The kitchen offers granite countertops, ample cabinetry and easy access to the spacious maintenance-free deck. A refreshed main-level bath features a new vanity with granite top. Upstairs, you'll find four bedrooms on one level. The primary suite features dual closets and an private bath with tile flooring, tiled shower and dual-sink vanity. The additional upper-level bathroom has also been refreshed with an updated countertop. The lower level provides additional open living space with plenty of flexibility for a family room, recreation area and exercise room. The backyard is designed for both privacy and entertaining with a privacy fence, mature trees, large maintenance-free deck, patio, hot tub and gazebo. A standout feature is the impressive 4-car garage configuration—three attached garage stalls in front with pull-through access to an oversized rear garage measuring approximately 15' x 27'. All garage spaces are heated, making this an incredible setup for vehicles, hobbies,
